## Non-Key Decision request

## Form D

### Service road fronting Nos. 195 to 207a Swakeleys Road, Ickenham - Results of informal consultation for a possible Parking Management Scheme

Dear Cabinet Member

Attached is a report requesting that a decision be made by you as an individual Cabinet Member. Democratic Services confirm that this is not a key decision, as such the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 notice period does not apply.

You should take a decision **on or after Friday 26 February 2021** in order to meet Constitutional requirements about publication of decisions that are to be made. You may wish to discuss the report with the Corporate Director before it is made. Please indicate your decision on the duplicate memo supplied, and return it to me when you have made your decision. I will then arrange for the formal notice of decision to be published.

<b>Relevant Ward(s)</b>	Ickenham.

### RECOMMENDATIONS

That the Cabinet Member:

1. **Notes the responses received to the informal consultation for a possible introduction of a Parking Management Scheme in the service road fronting Nos. 195 to 207a Swakeleys Road, Ickenham; and**
2. **Decides that the Council takes no further action to progress a Parking Management Scheme in the service road fronting Nos. 195 to 207a Swakeleys Road, Ickenham at this present time due to the balanced response to the informal consultation.**

## Reasons for recommendations

The recommendations reflect the balanced response received to the consultation and the views of the local Ward Councillors.

## Alternative options considered / risk management

The consultation with residents offered either the option of being included in a proposed Parking Management Scheme or for no changes to be made to the current parking arrangements.

## Policy Overview Committee comments

None at this stage.

## SUPPORTING INFORMATION

1. The Cabinet Member will recall a petition was submitted by residents of the service road fronting Nos. 195 to 207a Swakeleys Road, Ickenham asking the Council to consider the introduction of a Parking Management Scheme to prevent residents who do not live in the service road from regularly parking there. Following consideration of this petition, this request was added to the Council's Parking Scheme Programme for further investigation and consultation with residents.
2. Attached as Appendix A is a plan indicating the extent of the service road. To establish if the majority of residents would support the introduction of parking controls, residents of these were delivered a letter and questionnaire to ask if they would like to be included in a possible Parking Management Scheme.
3. Responses received to the consultation are tabulated in Appendix B. There was a total of six responses received from nine consultation documents delivered.
4. Responses received to the consultation showed a balanced response in support and against a possible Parking Management Scheme. As part of the consultation residents were also given the choice of three different scheme operating times. The preferences indicated are shown on the lower section of the table attached as Appendix B. There was also no clear majority in the preference of operating times with one vote record for each of the options provided.
5. The summary of the responses received have been shared with the local Ward Councillors. As there is no overall support for a Parking Management Scheme the local Ward Councillors have indicated that at this present time the current parking arrangements should remain unchanged. The Council could consider reviewing the parking arrangements again in the future should the majority or residents within the service road wish to reconsider a Parking Management Scheme.
6. In summary, the residents of the service road frontings Nos. 195 to 207a Swakeleys Road have been informally consulted on the option of being included in a proposed Parking Management Scheme. As there was no clear majority in favour of a scheme, and following

discussion with the local Ward Councillors, it is recommended to leave the current parking arrangements in the service road unchanged at this present time.

### **Financial Implications**

There are no financial implications in relation to the recommendations of this report.

## **RESIDENT BENEFIT & CONSULTATION**

### **The benefit or impact upon Hillingdon residents, service users and communities?**

As there was no clear majority in favour of a Parking Management Scheme, following discussion with the local Ward Councillors the current parking arrangements within the service road are recommended to remain as they are.

### **Consultation carried out or required**

Residents of the service road shown on the plan attached as Appendix A to this report were informally consulted on the option of being included in a proposed Parking Management Scheme. As it is recommended to not progress proposals further, no further consultation is required.

## **CORPORATE CONSIDERATIONS**

### **Corporate Finance**

Corporate Finance has reviewed this report and concurs that there are no direct financial implications associated with this report.

### **Legal**

The Borough Solicitor confirms that there are no specific legal implications arising from this report.
