## Decision made

| <b>Cabinet Members making the decision</b> | Councillor John Riley - Cabinet Member for Public Safety and Transport<br>Councillor Martin Goddard - Cabinet Member for Finance   |
| <b>DECISION</b>                            | <b>APPROVED</b><br><br>That the Cabinet Member for Public Safety and Transport and the Cabinet Member for Finance agree to the following capital release request of £3,000,000 for resurfacing 14 carriageways and 19 footways to be funded from the Highways Structural Works 2021/22 capital budget (Appendix A1).   |
| <b>Reason for decision</b>                 | The recommendation enables the release of resources in order to progress the Highways programme for carriageway schemes informally approved by the former Cabinet Member for Planning and Transportation and detailed in Appendix A1 of the report.<br><br>The list contains schemes to limit the deterioration of the fabric of the Borough's highway asset that may have resulted in |

|  | <p>serious failure of roads, footways, verges, highway drainage and street furniture and improve the serviceability of the highway network (for example the visual appearance, the ride quality and structural integrity of the roads and pavements).</p> <p>The schemes listed in Appendix A1 have been either been completed or have been programmed for commencement by the Council's term contractor.</p>     |
| <b>Alternative options considered and rejected</b>                           | <p>There are no alternatives due to the level of deterioration as delaying these schemes would have placed additional pressure on the Council's financial resources if highways permanent repairs are not implemented in a timely manner.</p> <p>In many instances, any delay of this programme may also have safety implications with a possible consequent impact on the Public Liability Insurance budget.</p> |
