Decision made

Cabinet Members making the decision	Councillor Eddie Lavery - Cabinet Member for Residents' Services Councillor Martin Goddard – Cabinet Member for Finance
	Approved 1) That the Cabinet Member for Residents' Services approved the total allocation of £284k Chrysalis funding for the four new projects as detailed within the body of the report, as part of the asset enhancement programme for 2022/23. 2) That the Cabinet Member for Residents' Services and the Cabinet Member for Finance agreed to the capital release request of £284k to fund the four new projects as summarised within recommendation one in the report.
Reason for decision	Hillingdon Council is striving to be the greenest London Borough, to protect and enhance the environment, and to provide a brighter prospect for future generations. Chrysalis, the Council's asset enhancement initiative, funds projects ranging in scale from £5,000 to £100,000 for local initiatives that matter to residents. Residents are encouraged to make suggestions for Chrysalis funding as the most effective way for local people to identify environmental and community safety projects and demonstrating how all residents can play an active part in decisions making them proud to live in Hillingdon.

	<p>In January 2022, the Cabinet Member for Residents' Services reviewed all applications for Chrysalis funding received from residents, community groups and Ward Councillors and informally agreed 17 new projects to greatly improve community assets and resources across the Borough.</p> <p>The recommendation will enable works to commence on a further three projects where contractor schedule of rates have been used and one project where competitive quotes have been sourced.</p>
