### Decision made

<b>Cabinet Members making the decision</b>	Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco - Cabinet Member for Property, Highways and Transport
	<b>Approved</b>  That the Cabinet Member for Property, Highways & Transport and the Cabinet Member for Finance agreed to the capital release request of £328,996 for carriageway resurfacing to two sections of A4020 Uxbridge, and one section of A4180 West End Road to be funded from the following budgets: -  1) the Highways Structural Programme 2022/23 capital budget £128,996.  2) the Transport for London LIP Principal Borough Road 2022/23 grant budget £200,000.
<b>Reason for decision</b>	The decision enables the release of resources in order to progress the Highways programme for carriageway schemes informally approved by the Cabinet Member for Property, Highways and Transport.  The list contains schemes to limit the deterioration of the fabric of the Borough's highways asset that may have resulted in serious failure of the carriageway surface and improve the serviceability of the highway network.

	The schemes listed have either been completed or have been programmed for commencement by the Council's term contractor.
<b>Alternative options considered and rejected</b>	<p>There are no alternatives due to the level of deterioration as delaying these schemes would have placed additional pressure on the Council's financial resources if permanent repairs were not implemented in a timely manner.</p> <p>In many instances, any delay of this programme may also have safety implications with a possible consequent impact on the Public Liability Insurance budget.</p>
<b>Classification</b>	Part 1 – Public
