

# OFFICIAL EXECUTIVE DECISION NOTICE

## PUBLISHED BY DEMOCRATIC SERVICES

HILLINGDON  
LONDON

Notice is hereby given that the following decision(s) have been made today by Cabinet Members at the London Borough of Hillingdon:

<b>Title of decision</b>	<b>TRANSPORT FOR LONDON LOCAL IMPLEMENTATION PLAN - BRIDGE ASSESSMENT AND STRENGTHENING 2022/23 - RELEASE NO 7</b>
<b>Reference No.</b>	698
<b>Date of decision</b>	Monday 27 March 2023
<b>Call-in expiry date</b>	Monday 3 April 2023
<b>Relevant Select Committee</b>	Property, Highways & Transport Select Committee
<b>Relevant Wards</b>	Yeading, Belmore

### Decision made

<b>Cabinet Members making the decision</b>	Councillor Ian Edwards – Leader of the Council Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco - Cabinet Member for Property, Highways and Transport
	<b>Approved</b>  <ol style="list-style-type: none"><li>1. That the Leader of the Council accepted the Transport for London Grant 2022/23 allocation of £23k for the Bridge Assessment and Strengthening Local Implementation Plan; and,</li><li>2. That the Cabinet Member for Finance and Cabinet Member for Public Safety and Transport agreed to the capital release request of £23k from the Transport for London Grant 2022/23 Bridge Assessment and Strengthening programme budget to support the schemes outlined in the report.</li></ol>
<b>Reason for decision</b>	The Council received a funding allocation through the Transport for London (TfL) - Bridge Assessment and Strengthening Programme for the financial year 2022/23. The proposal fully complies with and supports the intentions of the 2018 Mayor of London's Transport Strategy and the proposals set out in the Council's LIP3 which covers the period from 2019 to 2041. The resolution will enable Hillingdon to sustain its past LIP performance which is critically important to secure future funding to the Borough. All costs will be borne in their entirety by TfL.

<b>Alternative options considered and rejected</b>	The Council does not have alternative funding or resources to cover the work involved. This work is vital as it entails the identification of structural deterioration and the preservation of the structural integrity of highway structures. There is no alternative but to carry out this work because, if left, there would be health and safety implications. Therefore, it is recommended that these projects are progressed without delay to maintain the structural integrity of the Council's highway structures.
<b>Classification</b>	Part I – Public
