### Decision made

<b>Cabinet Members making the decision</b>	Councillor Eddie Lavery – Cabinet Member for Residents' Services Councillor Martin Goddard – Cabinet Member for Finance
	<b>Approved</b>  <b>That the Cabinet Member for Residents' Services and Cabinet Member for Finance:</b>  <b>1. Approved the allocation and reallocation of £33k Chrysalis funding for future community safety (alleygating) schemes; and</b>  <b>2. Agreed to the capital release request of £22k and the reallocation of £11k of previously released funding from the Chrysalis 2022/23 budget to fund future community safety (alleygating) schemes. (Appendix A of the associated report)</b>
<b>Reason for decision</b>	Chrysalis is the Council's highly successful asset enhancement programme which funds projects ranging in scale from £5,000 to £100,000 for local initiatives that matter to residents. These can include installing an outdoor gym or new play equipment to improve fitness levels across all age groups, through to improving access and facilities at clubhouses, recreation grounds and community centres and community safety

	<p>(alleygating) schemes initiated and managed by residents themselves.</p> <p>The recommended reallocation will ensure the prompt implementation of future alleygating scheme applications made by residents to address anti-social behaviour issues and risk of crime.</p> <p>Hillingdon Council is striving to be the greenest London Borough, to protect and enhance the environment, and to provide a brighter prospect for future generations. The Chrysalis asset enhancement initiative has a significant role to play in achieving this commitment.</p>
<b>Alternative options considered and rejected</b>	The Cabinet Members could decide not to accept all the recommendations and the proposed funding would not be available to facilitate the prompt for future alleygating schemes.
