

## OFFICIAL EXECUTIVE DECISION NOTICE PUBLISHED BY DEMOCRATIC SERVICES

Notice is hereby given that the following decision(s) have been made today by Cabinet Members at the London Borough of Hillingdon:

<b>Title of decision</b>	<b>CAPITAL RELEASE REPORT (October 2022) SERVICE AREA/ PROGRAMME: Property Works Programme 2022/2023: Carbon Reduction – Installation of Commulite LED Intelligent 24v Communal and Emergency Lighting at Blyth Road Car Park. RELEASE NO: 16</b>
<b>Reference No.</b>	711
<b>Date of decision</b>	Friday 17 March 2023
<b>Call-in expiry date</b>	Friday 24 March 2023
<b>Relevant Select Committee</b>	Property, Highways and Transport Select Committee
<b>Relevant Wards</b>	Hayes Town

### Decision made

<b>Cabinet Members making the decision</b>	Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport
	<b>Approved</b>  That the Cabinet Member for Finance and the Cabinet Member for Property, Highways and Transport agreed to the following capital release request of £38k from the Property Works Programme capital budget 2022/23 for the installation of Commulite LED Intelligent 24v Communal Emergency Lighting System to reduce the Council's carbon footprint and energy consumption at Blyth Road Car Park.
<b>Reason for decision</b>	The recommendation is to upgrade the LED communal and emergency lighting to Blyth Road Car Park, a Council-owned car park. The installation of LED communal and emergency lighting will provide users with adequate means of escape in the event of a mains failure or emergency, should the property need to be evacuated. The existing lighting has a significant energy demand with an associated high carbon footprint. In accordance with the objectives of the Council's Strategic Climate Action Plan, the park has been identified as having scope for improvement to operational requirements to reduce energy demands and the associated carbon footprint. In addition to the installation of LED communal and emergency lighting will provide residents and members of the public with adequate means of escape in the event of a mains failure or emergency, should the location need to be evacuated or experience a power cut. The Council are required to carry out these

	<p>recommendations to be compliant with current safety regulations.</p> <p>Officers procured the works via the open tender and the winning contractor were PFL Limited. They offer the most competitive price and are compliant in all respects with the Council's performance specification. The contract is to be awarded following Cabinet Member approval.</p>
<b>Alternative options considered and rejected</b>	None.
<b>Classification</b>	Part I – Public
