Decision made

Cabinet Members making the decision	Councillor Martin Goddard – Cabinet Member for Finance Councillor Eddie Lavery – Cabinet Member for Residents' Services
	Approved That the Cabinet Member for Finance and the Cabinet Member for Residents' Services agreed to the capital release requests of £148k from the Playground Refurbishment Workstream within the Housing Revenue Account Works to Stock Programme 2023/24 capital budget for the Refurbishment of Albion Road and St Peters Road Childrens Playgrounds.
Reason for decision	The refurbishment of the playgrounds was necessary as they were reaching the end of their economic life. This funding release is part of the Council's Playground refurbishment programme approved by Cabinet in November 2022 with a contract award to Kompan Ltd for the provision of the design, replacement and installation of playground equipment over a 4-year period. The programme approved by Cabinet included these two playground sites.
Alternative options considered and rejected	The Cabinet Members could have decided not to accept the recommendations. This would have meant that the refurbishment of these playgrounds would not be undertaken,

	risking the playgrounds being closed due to them not meeting compliance and no longer being in a safe condition.
