Decision made

Cabinet Members making the decision	Councillor Ian Edwards – Leader of the Council Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport
	Approved That: 1) The Cabinet Member for Property, Highways and Transport and Cabinet Member for Finance agreed to the following capital release request of £4,013k from the Housing Revenue Account (HRA) “Acquisitions 1st 20 units each year” budget for the funding of the purchase and repair of eight properties, as detailed in the report (Appendix A of the associated report); and 2) The Leader of the Council, the Cabinet Member for Property, Highways and Transport and the Cabinet Member for Finance approved rent setting for all eight properties to the applicable London Affordable Rent level.
Reason for decision	In January 2015, Cabinet approved the implementation of a buy-back scheme for ex-Council properties. The scheme was approved to deliver benefits to local residents in terms of improved housing provision in the Borough. Two of the key drivers of the scheme are:

	<p>a) To increase the supply of affordable housing for rent in the HRA, that in turn can be used to reduce the Council's reliance on temporary accommodation, especially high-cost bed and breakfast (B&B) accommodation. Purchase of these properties should facilitate the reduction of B&B costs and generate savings to the General Fund in a full year estimated at £72k.</p> <p>b) To apply locally in Hillingdon right-to-buy (RTB) receipts from Council house sales that would otherwise be returnable with interest to central Government, thereby meeting the Council's one-for-one replacement of Council housing commitment under the self-financing arrangement agreed with central Government for the HRA. The application of RTB receipts to these purchases will assist in applying receipts within the three-year limit, of which 40% of the purchase cost would be applied to these properties but is now subject to a cap of 20 acquisitions per year.</p>
Alternative options considered and rejected	The alternative option is to not buy back the properties, with the vendors selling them privately on the open market. This would not assist the Council in increasing the supply of social housing in the Borough, in meeting the one-for-one replacement commitment, or in utilising time-limited RTB receipts. Alternatively, the Council could offer lower purchase prices to the vendors. However, the Council is in competition with private buyers for these properties, with no leverage to compel the vendors to accept below-market prices, and the prices offered in this report have already been accepted by the vendors.
