### Decision made

<b>Cabinet Members making the decision</b>	Councillor Jonathan Bianco – Cabinet Member for Property, Highways & Transport  Councillor Martin Goddard – Cabinet Member for Finance
<b>Decision</b>	<b>Approved</b>  That the Cabinet Member for Finance and the Cabinet Member for Property, Highways & Transport agreed to the capital release request of £300k from the Highways Bridges & Structures 2023/24 budget to support the schemes outlined in the report (Appendix A).
<b>Reason for decision</b>	The recommendation enables the release of funds to progress the Highways Structures Programme detailed in Appendix A.  The projects listed will limit the deterioration and preserve the structural integrity of the highway structures avoiding any undue failure of the structural elements. The works will improve the condition of the structures and the highway network. These works will be undertaken by the Council's Highways Term Service Contractor, O'Hara Bros Surfacing Ltd.
<b>Alternative options considered and rejected</b>	This work is vital as it entails the identification of structural deterioration and the preservation of the structural integrity of highway structures. There is no alternative but to carry out this work because, if left undone, there would be health and safety implications. Therefore, it is recommended that these projects are progressed

	without delay to maintain the structural integrity of the Council's highway structures.
