Decision made

Cabinet Members making the decision	Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport
Decision	Approved That the Cabinet Member for Finance and the Cabinet Member for Property, Highways and Transport agreed to the capital release requests of £50k from the Civic Centre Transformation Programme 2023/24 capital budget for the replacement of Members' Car Park Rising Bollards.
Reason for decision	<p>The existing security bollards to the Members' Car Park at the Civic Centre in Uxbridge were installed in 2008 and their position altered in 2010.</p> <p>The bollards are currently defective, and they are becoming increasingly unreliable and problematic, and parts are no longer readily available, resulting in lengthy periods of being inoperable and expensive repairs. The original installer is unable to source the parts and therefore, unable to provide the reactive support we require.</p> <p>As a result, we have recommended the replacement of the existing defective system, utilising existing Civil and Automatic Vehicle Gates Term Contracts to obtain and install a new Rising Bollard system.</p>

	<p>In addition to the new system, additional static Bollards will be installed to protect the equipment which has suffered collision damage in the past and to better protect the area from unauthorised vehicles.</p> <p>The new system will be open protocol and will continue to work with the existing Automatic Number Plate Recognition (ANPR) camera set-up.</p>
Alternative options considered and rejected	No other options were considered.
