Decision made

Cabinet Members making the decision	Councillor Martin Goddard – Cabinet Member for Finance Councillor Jonathan Bianco – Cabinet Member for Property, Highways and Transport
Decision	Approved That the Cabinet Member for Property, Highways & Transport and the Cabinet Member for Finance agreed to the capital release request of £23k from the 2023/24 Parking Improvements Capital Budget to complete surveys and design for necessary refurbishment works, including structural, safety & access improvements, at Blyth Road Car Park, Hayes, UB3 1RX (see Appendix A of the report).
Reason for decision	Following a condition review of Blyth Road Car Park, it was found that there were a number of improvement works required to ensure compliance with the current Regulations and Safety Standards and Lease requirements. The car park needs to be compliant with current standards to enable safe operational use. The works scope includes concrete repairs to soffits, unblocking of drains, replacement of shutter door, pedestrian access, line marking, treatment of floors and decoration of walls and ceilings.
Alternative options considered and rejected	Not progressing is not an option as this would be in breach of the Council's repair responsibilities under the lease. Works are required to make the public car park safe and secure to use.
