Alternative options considered and rejected	<p>The alternative option is to not buy back the properties, with the vendors selling them privately on the open market. This would not assist the Council in increasing the supply of social housing in the Borough, in meeting the one-for-one replacement commitment, or in utilising time-limited RTB receipts.</p> <p>Alternatively, the Council could offer lower purchase prices to the vendors. However, the Council is in competition with private buyers for these properties, with no leverage to compel the vendors to accept below-market prices, and the prices offered in this report have already been accepted by the vendors.</p>
