	<p>environmental and community safety projects and demonstrating how all residents can play an active part in decisions, making them proud to live in Hillingdon.</p> <p>In January 2024, the Cabinet Member for Residents' Services reviewed all applications for Chrysalis funding received from residents, community groups and Ward Councillors and informally agreed 10 new projects to greatly improve community assets and resources across the Borough.</p>
<b>Alternative options considered and rejected</b>	<p>The Cabinet Members could have decided not to accept the recommendations and therefore either some or none of the seven new projects would be able to proceed. Improvements which have been requested by residents and Ward Councillors cannot then be realised.</p> <p>If the release of capital funds is not approved, the Chrysalis 2024/25 programme cannot be effectively and efficiently progressed as planned and the Chrysalis contribution towards delivery of the Council Strategy 2022-2026 may not be achieved.</p>
