<b>Date of decision</b>	Monday 22 December 2025

### Decision made

<b>Cabinet Members making the decision</b>	Councillor Ian Edwards, Leader of the Council Councillor Wayne Bridges, Cabinet Member for Community & Environment
<b>Decision</b>	<b>APPROVED</b>  The Leader of the Council, in consultation with the Cabinet Member for Community & Environment approved the acceptance of the tender to ensure continued provision of food waste collection services to residents across the Borough.
<b>Reason for decision</b>	The recommendations supported the Council's waste and recycling objectives by maintaining a reliable supply of food waste caddies, helping to maximise participation in recycling services and contribute towards meeting waste reduction and recycling targets. The approved tender represented a compliant and cost-effective solution in accordance with the Council's procurement requirements and financial considerations.
<b>Alternative options considered and rejected</b>	An option to not provide food waste caddies was considered but rejected, as this would have risked disruption to the delivery of the food waste collection service and had a detrimental impact on residents. Alternative approaches were not pursued as the recommended option best supported the Council's waste prevention objectives and compliance with national waste and recycling policy requirements.
