### Decision made

<b>Cabinet Members making the decision</b>	Councillor Eddie Lavery – Cabinet Member for Finance & Transformation Councillor Wayne Bridges – Cabinet Member for Community & Environment
<b>Decision</b>	<b>APPROVED</b>  <b>The Cabinet Member for Finance &amp; Transformation, in consultation with the Cabinet Member for Community &amp; Environment, approved the capital release request of £100K for Queens Walk Open Space River enhancement project, funded by Crane Valley Fund Grant.</b>
<b>Reason for decision</b>	<p>After a very successful river restoration project in 2024/25, London Borough of Hillingdon and the Zoological Society of London continue working to develop a river enhancement project to improve the section of the Yeading Brook West that flows through Queens Walk, River Walk.</p> <p>The river enhancement project will reprofile/recontour riverbanks to create key habitats and improve the diversity of the environment and its species. Yeading Brook water levels respond very quickly to rainfall due to its urban catchment. This project will contribute to reducing the peak levels and, in turn, reduce the flood risk to local residents. Proposed improvement works will increase the ability of the river to adapt and cope with the likely impact of increased intense storms resulting from climate change. The project</p>

	<p>will provide more space for water and slow the flow of water to the Yeading Brook, further helping to protect people, species and habitats by making them less vulnerable to the effects of climate change.</p> <p>This project will create a tranquil spot for observing nature, such as dragonflies, butterflies and birds and amphibians attracted to these new and enhanced habitats.</p>
<b>Alternative options considered and rejected</b>	The Cabinet Members may agree to fund the scheme and/or suggest alternative projects to which funds could be allocated within the terms of the relevant legal agreements.
