	consists of 32 dwellings in total. This is a 2026/27 element of a phased programme of External Remedials. This will provide residents with a pleasant and safe environment to live in and will serve as an investment in the Council's housing stock.
Alternative options considered and rejected	Moving away from the larger type of delivery contracts gives greater flexibility to deal with risks associated with poor contractor performance. This approach will enable more specialist contractors to deliver installations at lower costs.
